

FLAT LASERS

RL-H3C/RL-H3CL Lasers

Self Leveling General Construction Laser

- Value Oriented Laser
- Self Leveling—Automatic One Touch
- 60 Hours on "C" Cell Alkaline Batteries
- Height Alert When Laser has been Disturbed
- Rugged Dustproof, Weatherproof
- LS 70 Sensor w/Clamp
- 15" Arc Second Accuracy
- RLH3CL Long Range 1640' Dia.

RL-H3CS Series Laser

High-Speed Self-Leveling Slope Match Lasers

- New Standard for Combination Laser
- Point Matching Slope Laser
- Affordable Price for Product
- Self Leveling Automatic One Touch
- Height Alert Disturbance
- Waterproof/Dustproof
- Spec's are the Same as the RL-H3C
- 2 Year Warranty

NEW RL-H3C/RL-H3CL Long Range Laser

The latest addition to Topcon's very popular and very affordable automatic laser line, the RL-H3CL brings the productivity of long-range laser control down in price and up in performance.

	RL-H3C	RL-H3CS	RL-H3CL
Self-Leveling	•	•	•
Beam Range	980'	980'	1640'
Match Slope		•	

Beam Range is shown in diameter of coverage

RL-H3A

- Top Of the Line Flat Laser
- Fastest Self Leveling
- Liquid Compensator Technology
- Superior Durability and Shock Resistance
- 2500' Diameter RL-H3A
- 8" arc Second Accuracy RL-H3A
- LS 70B Sensor w/ Clamp
- Equipped with Nicad Batteries
