MP30I Metal Frame 3-Foot Spoked Wheel

MP40I Metal Frame Spoked Wheel

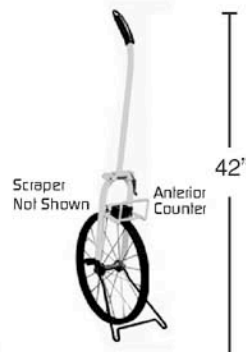

Simplicity and durability were two principles that guided our design. The result is a wheel that rolls easily over the most difficult terrain and can stand up to constant heavy use.

Whether you're rolling on asphalt roads or using it for extreme environment estimation, the MP40I gets the measurements right

5 digit counter. Up to 99,999 feet.

Available with ABS Spoked Wheel
