

SLOPE LASERS

RT-55w Slope Laser

Long Range High Accuracy
Dual Slope Rotating Laser with Remote

"SMART" SLOPE LASERS

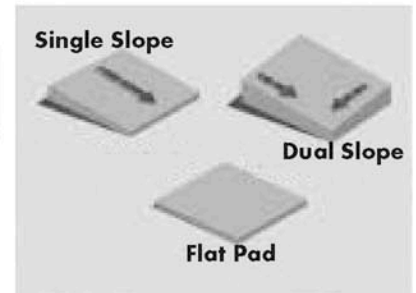

- Two-Way, RF Remote Delivers 300 Meters (1000') of 360° Communication
- World's First 5 Arc Second Repeatability
- Auto Alignment has Range of up to 150 Meters
- SmartLine®
Automatic grade axis alignment for fast, repeatable setups everyday
- Grade Matching Function
- Electronic Beam Masking
- Long Battery Life; 30 hrs. on Ni-MH
Rechargeable 40 hrs. on Alkaline
- Waterproof/Dustproof, Rugged Design

NEW
WIRELESS

 **TOPCON**

RT-55w

Slope Capability

Flat, Single or Dual Slopes

- Dual Slope
- Single Slope
- Flat Horizontal Capabilities (Both Units)

RL-H25a Slope Laser

Medium Range Dual Slope Laser

- Grade Setting Range -5% to +10% (Single Axis)
 $\pm 10\%$ (Dual Axis)

RL-H25a

Electronic Shutters

RL-H15a Slope Laser

Value Priced Medium Range Single Slope Laser

- High Accuracy Survey Encoder
- Large Self Leveling Range -5% to +10%
- H.I. Alert, Laser Shuts Off when Laser has been Disturbed
- Electronic Shutters
Mask areas without disturbing your laser or your neighbor
- Machine Control Capable
- NICAD BATTERIES
RL-H15A Single Slope (Optional)
RL-H25A Dual Slope (Included)

RL-H15a
